**RESOLUTION 16-195
SUPPORTING ADOPTION OF S2254/A3821 TO CLARIFY
MUNICIPAL AFFORDABLE HOUSING OBLIGATIONS**

WHEREAS, pursuant to the March 2015 New Jersey Supreme Court order which transferred oversight of the Fair Housing Act (FHA) to the courts, many municipalities (including Long Hill Township) filed declaratory judgment actions to voluntarily comply with their present and prospective affordable housing requirements as established in the FHA; and

WHEREAS, the FHA and existing case law are clear that “present and prospective fair share of the housing need in a given region ... shall be computed for a 10-year period.” (See N.J.S.A. 52:27D-307(c)); and

WHEREAS, in October 2015, the Middlesex County Superior Court issued a decision that included a distinct “gap period” obligation, retroactively imposing an additional municipal obligation over an additional 16-year period, separate and apart from the normal 10 year present and prospective need set forth in the FHA. Recently the Ocean County Superior Court did the same. The Ocean County decision is currently on appeal; and

WHEREAS, this “gap period” issue arises out of COAH’s inability to promulgate third round regulations from 1999 to the present or make any final determination as to state and regional housing

need. Despite this, the courts are not holding COAH accountable but rather are imposing additional obligations on municipalities. These retroactive obligations will have a significant and unfunded impact on municipalities, straining their already overburdened resources; and

WHEREAS, aside from other inequities and issues imposed by a so-called “gap” obligation, the households counted in the “gap period” may well be double counted when the present need is calculated. The prospect of double counting compounds this dilemma and will likely result in forcing municipalities and their property taxpayers to subsidize development or subject them to court orders allowing enormous numbers of new housing units as a result of “builder’s remedy” lawsuits. Such a result will radically and irrevocably transform the character and quality of life for all New Jersey residents; and

WHEREAS, hundreds of New Jersey’s municipalities have expended significant financial and other administrative resources in their attempts to voluntarily comply with their constitutional obligation for affordable housing as established by the Supreme Court and the FHA. As a direct result of the State’s failure to advance viable regulations or enact overdue legislative reform, this will only continue to spiral out of control; and

WHEREAS, Senate Bill S2254 and Assembly Bill A3821 are important legislative remedies designed to clarify existing law and preclude these significant, unfair impacts. Swift and decisive adoption of both is a critical step toward a more rational statewide housing policy, including reasonable and achievable obligations for municipalities;

NOW THEREFORE BE IT RESOLVED on this 8th day of June 2016, by the Township Committee of the Township of Long Hill, in the County of Morris, State of New Jersey, that:

1. The Township Committee hereby supports the adoption of Senate Bill S2254 and Assembly Bill A3821 to clarify that a municipality’s present and prospective fair share of the housing need in a given region shall be computed for a 10-year period, and shall not include a retrospective obligation arising from any so called “gap period.”
2. The Township Committee urges the members of the New Jersey Senate, General Assembly and the Governor to swiftly and decisively adopt this legislation as a critical step toward a more rational statewide housing policy, including reasonable and achievable obligations for municipalities.
3. A certified copy of this resolution shall be sent to Hon. Chris Christie, Governor; Hon. Steve Sweeney, President, NJ Senate; Hon. Vincent Prieto, Speaker, NJ General Assembly; Senate and General Assembly representatives and the New Jersey State League of Municipalities.

RESOLUTION 16-196
AUTHORIZING TOWNSHIP ATTORNEY TO FILE AN ANSWER TO THE COMPLAINT FILED BY DEMAYO ELECTRICAL COMPANY, INC.

WHEREAS, DeMaio Electrical Company, Inc. (“DeMaio”) was the contractor on the Township’s Wastewater System Improvements Project; and

WHEREAS, DeMaio has filed a Complaint against the Township in the Superior Court of New Jersey, Law Division, Morris County, at Docket No. MRS-L-1120-16, seeking additional compensation in the amount of \$545,541.98; and

WHEREAS, the Township denies that DeMaio is owed this additional amount;

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Long Hill in the County of Morris, State of New Jersey, that Township Attorney, John R. Pidgeon, is hereby authorized to file an Answer to the DeMaio Complaint described in the preamble and to take all other steps necessary to defend the Township's interests in this litigation.
