Deputy Mayor Piserchia recommended we apply for the grant to upgrade the trails at Matthew G. Kantor Park this year, and hopefully Central Park for next year.

**DISCUSSION / ACTION ITEMS:**

- Recreation Fees

Recreation Director Scanlon has asked to the Township Committee to allow her latitude in authorizing fees for the smaller community programs. Currently, any changes have to be approved by resolution which is not efficient, especially in the summer months when Township Committee meetings drop to once a month. Committeeman Schuler made a motion that the Recreation Director could approve and change fees up to \$200.00 when necessary, as long as the resolutions to memorialize those changes were made at the next available meeting. Committeeman Rae seconded. Roll Call Vote: All in favor. Atty. Pidgeon suggested that this authorization be added to the Re-Organization meeting each year.

- Long Term Budgeting Process – Turf Replacement at MGK Park

Discussion regarding whether the encumbered funds each year into the reserve account from the Oratory Prep rental revenue along with any other rental income for the turf field would be sufficient to replace the field in 10 to 12 years. As this is the first year of revenue earnings for the field there was not enough data to adjust the original strategy. This will be revisited next year.
