

Alert LongHill

Long Hill Township in partnership with Morris County Office of Emergency Management has moved to a new County wide emergency alert system , called **AlertMorris**. Our local emergency notification program, formerly, Citizen Alerts is now, **Alert Long Hill**.

With **Alert Long Hill**, you can receive emergency alerts by email, text, phone, or whatever method of communication you prefer.

Sign up Now! Click [here](#) for the registration portal

If you were enrolled in Long Hill Township's Citizen Alerts Program , your information was forwarded to **Alert Long Hill**. You must register again, to ensure accurate contact information and continue to participate in the emergency notification system for our community.

Smart911

Smart911 provides you and your family with potentially life-saving **Smart911 service**. This is an important emergency 9-1-1 call component for our community and County. Enrollment is free. Sign up when you register for **Alert Long Hill**!

Changes to Social Media Alerts on Morris County Accounts

Morris County's social media alert accounts on Facebook and Twitter, @MCUrgent, also have changed their names to @**AlertMorris**. Get updates from OEM and multi-jurisdictional emergency alerts through your favorite social media platform!

If you'd already signed up for @MCUrgent, there's nothing to do – you'll see @**AlertMorris** in your Twitter and Facebook feeds. Otherwise, follow @**AlertMorris** today!
